I would like to say a huge heartfelt THANK YOU to all of you who have spent time in the FA forum, shopping and chatting and playing games this 2009. Also to the wonderful girl's who have supported me The FA DT Angels, without them my life would be so much less wonderful.

While I am doing my thank yous, - THANK YOU to the wonderful girl's who have joined in and participated in our Swaps this year, the Handmade ornaments are sparkling on my tree and I believe Santa's sleigh is flying around delivering wonderful gifts as I type. It never fails to amaze me how beautiful and giving the women in this industry are and I am sure you are all sprinkling lots of Christmas magic, despite the world's financial woes, and senseless tragedies, you're definitely putting the Christmas spirit back into the world.

I don't know if I am more excited about giving or receiving this year....as I have already got so excited in the giving part {as I do every year}. And just remember to those of you, who are struggling with Santa belief issues, **"if you don't believe you don't receive!!!!" ...I know he fills my stocking!!!!**

I will leave you with.....

But I heard him exclaim, as he drove out of sight,

"Happy Christmas to all, and to all a good-night."
